

ACCESSORIES

INCREASE THE CAPABILITIES OF YOUR MOHOC CAMERAS

Developed specifically for use with the MOHOC and MOHOC IR cameras, our range of accessories are designed to extend the functionality of your camera beyond the helmet.

MULTI-MOUNT

This single accessory allows MOHOC cameras to securely mount on flat surfaces, tripods, weapon rails, and the universe of action camera mounts.

Instantly secure your MOHOC camera to the top of the Multi-Mount with industrial-grade Velcro®. Then use the anchor points on the bottom to attach the Multi-Mount wherever your operation demands.

FLAT SURFACE MOUNT

TRIPOD MOUNT

ACTION CAMERA MOUNT

OPTIONAL PICATINNY MOUNT

The Multi-Mount + Picatinny Kit attaches securely to Picatinny rails on a wide variety of weapons systems:

Multi-Mount (MH-MMT)
Includes Multi-Mount and Action Camera Mount

Multi-Mount + Picatinny Kit (MH-WMT)
Includes Multi-Mount, Action Camera Mount, and Picatinny Mount

SHOULDER MOUNT

When your operations don't require a helmet, the Shoulder Mount provides an instantaneous body-worn alternative. Built with tactical nylon and secured by industrial-grade Velcro®, it's compatible with vests, chest rigs, backpacks, and other shoulder straps. Once positioned, simply turn the rotating lens on the MOHOC to ensure a level shot.

AVAILABLE IN TAN (MH-SMT) AND BLACK (MH-SMBK)

K9 MOUNT

MAN'S BEST TACTICAL ASSET

Capture your K9's point-of-view in a way never seen before. Comfortably and securely positioned on a dog's head, the MOHOC with K9 Mount records exactly what a dog detects.

Lightweight, padded, tactical nylon harness with 4-point adjustable Velcro®. Fits all medium to large working dogs.
